

...a truly himalayan boutique-hotel with panorama restaurant

Regenerating Herbal Bath

Try our unique herbal-bath for a relaxing & regenerating experience.

We enrich the water of the oversized bathtub with an infusion of fresh herbs from our garden such as citronella and mints. Candle-light, seasonal flower-pedals and a freshly brewed herbal tea create a deeply relaxing atmosphere to sooth your senses.

Duration: 20 – 30 min.

- To book a herbal bath please consult our receptionist
